## “The Conjurer”

*53% Cabernet Sauvignon, 34% Merlot, 13% Cabernet Franc  
Columbia Valley*

Sleight of Hand Cellars is proud to introduce our newest wine to our portfolio, the 2011 Conjurer! This Bordeaux-style blend is comprised of 53% Cabernet Sauvignon, 34% Merlot, and 13% Cabernet Franc. It was aged for 14 months in 100% French oak (26% new). This wine has all the hallmarks of a cool vintage, from the fresh red fruits like Bing cherries and raspberries, to the classic herbal undertones of great Cabernet. It finishes with refreshing acidity and superbly balanced tannins that we are known for here at Sleight of Hand. The fruit is sourced from Blackrock Vineyard in the Yakima Valley (88%), as well as Blue Mtn. Vineyard in the Walla Walla Valley (12%). Smooth and approachable, with a wonderful round mouth-feel even upon release, we believe that this wine will age gracefully for a decade. To be shared with friends or hoarded—your call. Cheers!

*P.S. A special thanks to NPH for lending us his face as the Conjurer on the label.*
